

Ethiopian Community Mutual Association in Seattle

To All Ethiopians in the Seattle Area

We hope you are aware of the efforts being exerted by the Ethiopian Community Mutual Association (ECMA) to purchase an office building and a meeting hall. Currently, the committee charged with the task has found a suitable building, and negotiations are underway with property owners/sellers.

On April 10, 2010, an open house is planned on the site which is open for all Ethiopians.

Accordingly, you, your family, and friends are cordially invited to visit the building and share your thoughts with us.

We will serve food, refreshments, and various family-friendly activities at the event.
